

BIET Women Welfare Cell

The objective of BIET Women Welfare Cell is to strengthen women in the view of self-growth, education, provide the support for improvement of social competitiveness, and create a healthy working environment to enhance professional and individual development.

Institution is committed to impart quality education along with ethical and moral values. Women need to be empowered through the strongest tool – education. The BIET Women Welfare Cell strives to create an atmosphere conducive to gain knowledge and acquire skills by organizing seminars, invited talks and various awareness programs which help students to enhance their career in a broad spectrum.

On March 8 every year, International Women's Day is celebrated in the campus. Faculty and students are felicitated for their achievements. Various events and competitions are hosted at the institute level on this occasion.

The institution has constituted a College Internal Complaint Committee (CICC) represented by staff, students of our institute and an external member. BIET Women Welfare Cell works in coordination with CICC.
