- In the Subject “Mobile Application Development” During the year 2022-23 Examination.

Projects Undertaken

- **Final year MCA Project on “Mother and Baby Care App”. Under the guidance of Dr. Shreedhara K S, Prof, DOS in CS & E, UBBDTCE, Davangere.**

Tools: Android studio, Bootstrap framework

Language: PHP, MySql, Java.

Project summary: Our Project “Mother and Baby Care App” is an android application mainly project proposed to help the women at rural places. This application sends customized alerts on maternal and child health related information directly to the mobile phones of registered pregnant women and lactating mothers.

As we say, PREVENTION IS BETTER THAN CURE, mothers can be benefitted in taking care of themselves in few inevitable situations using this proposed system.

Mothers can also seek help from pre-recorded videos and health tips to overcome their problems. Mothers can be benefitted in taking care of themselves in few inevitable situations using this system. Before Vaccination date, a notification message will be sent to the registered mother’s number informing her to get immunizes on date.

- **Final year BCA Project on “BLOOD DONOR MANAGEMENT INFORMATION SYSTEM”. Under the guidance of Prof. Siddalingappa.K, HOD of BCA Dept., B.I.H.E.**

Tools : J2EE, Tomcat 5.0, Oracle 9i/Oracle 10g

Languages: HTML, CSS, JavaScript, J2EE, Java.

Project summary: Our project entitled “Blood Donor Management Information” is developed with the aim to manage the transactions of Red Cross Society through online. Hence a web suite is developed which is useful to inter connect Red Cross societies which are distributed across the state.

The global users who are searching for blood donors in their locality or neighbor districts could search easily and get the details of donors instantly.

Personal Strength

I feel at ease working within a team environment. I am constantly absorbed in the learning process and gain immense satisfaction from passing on such. My attention to detail is sound and lasting, as is my ability in taking the initiative, when called upon. I rise to the challenge of problem solving. I also understand the importance in being a confident and good communicator in all organizing situations.
